Why Shayna?

I am running because NFTY - PAR has helped shape me into who I am today. I look forward to all events and have enjoyed the chance to bring a positive attitude as the RAUCH Chair this last year.

Canteen committee without a doubt is the best part about regional events. I hope to bring more fundraising opportunities and allow collaboration with merchandise ideas.

I love being a leader and would love to lead NFTY- PAR in the upcoming year!

Goal

- Allow more creativity and participant collaboration
- New fundraising opportunities
- Bring more enthusiasm and energy to all events!
